

# Get Connected

## Youth Volunteer Opportunity

### **“Seniors in Cyberspace”**

... an exciting new program for secondary school students

### **LEARN HOW YOU CAN PARTICIPATE IN THIS PROGRAM:**

- \* as a placement for co-operative education
  - \* doing hours for your community service volunteer credit
  - \* or just to have fun volunteering

### **WHAT CAN YOU DO?**

- \* share your knowledge of computers
- \* show seniors in nursing homes and the community how to use computers and the internet
  - \* learn new skills
  - \* meet new people

Training and ongoing support is provided.
